RE: 2016 Mill & Overlay Program

**Bid Opening** 

Mayor Gitz:

On June 7<sup>th</sup> the City of Freeport held a bid opening for this year's Mill and Overlay Program. The two (2) bids received were submitted by Martin & Company Excavating and Civil Constructors, Inc. The apparent low bid was submitted by Martin & Company Excavating in the amount of \$437,908.18. In an effort to reduce costs by bidding a larger project, approximately \$29,442.62 of the bid amount will be covered by a pending intergovernmental agreement with the Freeport Park District.

The following was noted by the Illinois Department of Transportation (IDOT) prior to bidding: Due to the possibility of a bid complaint for your agency's project, as it relates to the "Apprentice or Training Program Certification," the department will not concur with the award of any contract until the eight calendar day following the letting; therefore, the local authority shall not proceed with the award for eight (8) calendar days.

Based on this low bid, it is my recommendation to award contract 16-00000-01-GM to Martin & Company Excavating of Oregon, IL for \$437,908.18, barring any bid protest in the eight (8) calendar days following the bid opening, as allowed by IDOT.

Copies of the final bid tab and project location map are attached. Please feel free to contact me with any questions.

Respectfully submitted by:

Shaun M. Gallagher, P.E.
