## Re: Review of City Ordinances for Chapters Relating to Liquor

Dear Liquor License Holder:

The Liquor Commission will be holding working groups to review and update City of Freeport ordinances in Chapters 608 and 806 with a goal of discussing ideas and establishing more business friendly ordinances for our liquor license holders. You are invited to attend these special meetings that will have an open forum and I would encourage you to read the chapters prior to attendance to make the best use of everyone's time.

The forums will be held at City Hall in Conference Room 1 – B on the main floor from 5:00 PM – 7:00 PM on the following dates:

- Wednesday, September 20, 2017
- Tuesday, October 3, 2017
- Thursday, October 19, 2017

Hope to see you there!

Moving Freeport Forward Together,

Jodi Miller

Mayor/Liquor Commissioner
