

City of Freeport

Landscape Waste Disposal Program – 2011

Introduction

All City of Freeport residences of six family units or fewer are eligible for the landscape waste curbside programs.

Landscape waste is defined as grass clippings, leaves, weeds, brush and tree trimmings. Each annual subscription to the landscape waste service will include the rental of one 65-gallon toter. All landscape waste must be placed in the toter in order for it to be collected. Subscribers may rent additional toters from their waste hauler for an additional charge (to be paid directly to the hauler) of \$12.00 per year per toter.

Pick up day

Fridays from April 15, 2011 to November 11, 2011.

Service and cost

Service will be provided one day per week by your regular trash hauler. There is an annual one-time sign up fee of \$54.00 for which you will be billed in three \$18 installments on your water bill. Landscape waste must be placed at the curb in rented toters. Each toter must have two 50 cent garbage stickers affixed to it **(the same sticker used for extra bags of garbage).**

- **Landscape waste must be at the curb by 5:00 a.m. on pickup day.**
- **PLEASE NOTE** only waste produced on the property will be picked up. Abuse of this policy will result in termination of the service. No refunds will be given.

To Sign up for Landscape Waste Service

Call your regular trash hauling company to enroll. The fee will be billed on your water bill. You must provide your water and sewer account number when you sign up. Fees will not be prorated for late enrollments and there will be no refunds.

If you have additional questions, please call your regular waste hauler: Moring Disposal (815-233-9216) or Gill's Freeport Disposal (815-233-5644).
